Indatatech named one of Houston Minority Business Council's E-10 Winners

Houston, Texas – 9 Nov 2005 – Indatatech today announced

That it was named one of the Houston Minority's Business Council's Emerging 10 Award Winners for 2005.

This prestigious award honors ten of the HMBC's top minority-owned businesses. These HMBC certified minority business enterprises (MBE) are setting trends and embracing the future with innovative practices and solutions. Companies receiving this award are recognized for making significant contributions to their industry and community.

"This recognition is one that we are certainly very proud and excited about", said Christina Fierro, Vice-President of Business Development. "The indatatech team is a very diverse and experienced one, and this ranking reflects our desire to expand and target new customers. We are beginning to expand our market in Houston, and we are aggressively letting current and potential clients know of our customer-focused and value-add services. ." said Fierro.

Indatatech is a full service management and consulting company specializing in fixed asset management, logistics and logistical support, global procurement, and office furniture design and installation, headquartered in San Antonio, Texas. Indatatech has offices in Houston, Atlanta, and Roswell, New Mexico.
